IBEW 351 Provides Food Baskets to Camden County Families

The members of IBEW Local 351 provided food baskets to 120 needy families of Camden City and throughout Camden County this holiday season. Business Manager Dan Cosner said “We love to help out wherever we can. Our members always rise to the occasion when asked to contribute and volunteer.”

Local 351 Political Director Ian Leonard coordinated this effort. Curt Voss, General Manager of Live Nation assisted with the logistics by graciously providing their facility for storage and distribution. The McGuire / Fort Dix Commissary was extremely helpful in the procurement of the basket items and the cost savings allowed Local 351 to distribute 20 more baskets than anticipated. A special thanks to Shakur McFadden, Mike Arrera and Lexie Norcross who were instrumental in the preparation and distribution of the baskets.
